PRESIDENT'S REPORT

Club Members,

It was quite an experience returning to the Presidency after a period of two years, especially trying to gauge the changes that had taken place in the Club's thinking and to assess those people who had become the leaders while I was "on leave."

Committees receive a fair bit of criticism at times, much of it ill informed, but rarely get accolades for the decisions and judgements they make which turn out to be correct and good for the club. This has always been a progressive club and we sometimes fall into the trap of not realising just how far the last twenty or so committees have developed the Club. Few realise that it is one of the biggest cricket clubs in the state – WACA clubs have 4 senior teams and a couple of under-age sides- as against our 6 senior and 11 under-age teams. The Club has maintained a healthy bank account for years thanks to sound management and as of next season we will be operating out of a state of the art facility that will be the envy –if it isn't already- of every other club in the SMCA. Add to all of this the considerable success we have experienced in competition for the past decade or so and we get the picture of a very stable and successful club.

The coach, the captains and the selectors have been outstanding in producing the results of last season. A "One-Day" premiership and runners-up, five teams in the major finals with another premiership and runners-up to add to the club's achievements all reflect the work done by this group and the club is very appreciative of what they did. This success is also reflected by the attitude of those clubs who are envious of who and what we are ... we are becoming very much the "Tall Poppy" of the SMCA.

In terms of committee years the 2002 - 2003 committee was one of the least experienced we have had so they had to learn the hard way as there were several tough issues to be decided during the year – not the least of which was whether or not we should field six teams. History records that they made the right decision. There was a great deal of hard work put into the management of the finances, social functions, the club rooms (which was made very difficult by the builder's fence), the book-keeping that the SMCA requires, the canteen, marking grounds, liaison with our Junior Division, the City of Melville and the Leeming Sports Association, purchase of gear, attending SMCA meetings and the pursuit of sponsors. The current group dealt with all of these issues and did it well, as well as a host of everyday issues as well.

I thank both the Committee and the player leaders for their support and compliment them on a job well done.

The sponsors as a group were also very loyal and contributed much to the fabric of the club and we are very appreciative of their support. There were fourteen Life Members at the annual meeting with apologies from another six and it is nice to know that these people are still very conscious of the club and are doing their bit to support the traditions developed over the past 84 years.

Finally I would like to thank the playing members of the club who are the backbone of all we do and without whom there would be no club.

Finally I thank you all for your attendance this morning and wish the incoming committee a successful season ... especially as you will be the first committee to accept responsibility for the new complex.

BRIAN WATERER
PRESIDENT

TREASURER'S REPORT

The 2002- 2003 cricket season finished out to be a good one financially for the club as it turned a loss from the previous season into a strong profit. This profit can be attributed to a number of reasons but mainly because of the increased revenue from match fees, increased bar profits and the highly successful quiz night and "Chase the Spartan" fundraising events.

The club has needed this profit to maintain the status of a "financially healthy club" as so many other sporting clubs out there are finding it difficult to stay afloat. The club also needs to bear in mind the extra costs that come with a new building – our wonderful new clubrooms.

In the 2003 - 2004 cricket season the club is budgeting on a small loss for the year as it is unknown how much extra revenue and expenses that the new clubrooms will provide. Nevertheless the committee is excited about the prospects of extra members and the atmosphere that the new clubrooms will provide.

We the committee, thank you for your financial support this year.

ANDREW WALKER
TREASURER

1ST GRADE CAPTAIN'S REPORT

After a fantastic effort from all concerned to become minor premiers in 2001 - 2002, we unfortunately left our worst performance for the most crucial game of the year in losing the semi final to Phoenix without firing a shot.

Finals are not just about individual ability, team cohesion and attitude are what win finals as 11 players need to be committed to each other and the cause and this is where through the attitude of a selfish few we failed to perform in the most important game of the year.

Minor Premiers – Sensational but 2002 - 2003 we need to learn from what had happened and ensure we improve in those areas.

Player Loses: Clayton Wilson (Moved to Boyup Brook)
Michael Smith (Returned to Phoenix)
Michael Beer (Transferred to Phoenix)
Neil Benbow (Transferred to Phoenix)

Player Gains: Tim Edgar (Recruited from Kardinya Lakes)
Mick Dargie (Recruited from Wanneroo Sports)
Steve Burton (Recruited from the PCA)
Damien Langley (Recruited via Dick Manning from the WACA)

In what was an up and down season in performances on the field the one area we improved dramatically was our support and encouragement of each other and it was the major factor in ensuring us a top 4 finish at season end to launch another effort at playing in and winning a 1st Grade Premiership.

Highlights:

- 20 players used in the 2002/2003 season.
- Every player playing 1st and 2nd grade wanting to play 1st Grade.
- Darren Humble at age 15 making his 1st Grade debut and performing admirably.
- Andrew Walker making his 1st Grade debut and proving to all concerned he can perform in 1st Grade with his solid effort supporting Jason Cunningham in getting his ton against Phoenix.
- Craig Pereira making his 1st Grade debut and proving to himself he deserves to be there.
- Chris Spinella – playing in a 5th grade grand final last year getting the call up for the 1 day games and through his excellent performances earning his spot in the 1st Grade semi-final against the 3 time premiers Hilton Park and taking 5 top order wickets in a sensational performance.
- Shayne Hersey proving to all concerned he is a genuine 1st grade player, who can also win games with bat as well as the ball and took arguably the best outfield catch I have seen in over 20 years of 1st Grade cricket.
- Jason Cunningham's single handed effort against Phoenix in Round 4 where he batted through the day to score his 3rd 1st Grade century proving to all concerned that he is one of the premier batsmen in the SMCA.
- Greg Dudley – his performances against CBC where he scored 134 not out in 74.5 overs and 98 not out in the one day fixture plus his Gilchrist like 80 against Kelmscott entrench him as Leeming's best batsman and in the top 2 batsman in the SMCA.
- Greg Dudley for his excellent 69 in the semi-final against Hilton where he put us in a commanding position which we couldn't capitalise on. This followed up on his previous 50 odd in the finals in 2001 - 2002 just further confirming this mans ability.
- Barry Harken – A captains dream....a side with 11 Barry Harkens would win year after year. He was the genuine allrounder this year as he bowled as only Barry can, his fielding was excellent as usual and his consistent performances with the bat saw him elevated to the number 6 position.

The biggest highlight though was playing with the 20 players who all contributed throughout the season and put their hands up at different stages to help win games of cricket.

It was a very enjoyable season, we finished 3rd and that was probably where on our combined performances over the year we deserved to finish but the club had 5 sides in the finals and the atmosphere and comradery amongst all club members was fantastic and makes all other clubs envious.

On a personal note I would like to thank Peter McGilvray for his support as Club Coach over my 2 year term as Club Captain and the support I have received from the committee during this time. Most importantly though to the 20 players that played 1st Grade this year, thank you for your support on and off the field.

Finally, I would like to wish Kevin Adair our newly appointed Club Captain for the next 2 years and his Vice Captain Jason Cunningham all the best for the season coming and remember one thing:

TEAM – TOGETHER EVERYONE ACHIEVES MORE

2ND GRADE CAPTAIN'S REPORT

The start of season 2002 - 2003 saw the promotion to first grade of several long serving and well performed regular second grade players from the previous season. Given the final standing of the second grade in the previous season and the loss of these key players the side knew that to be a serious contender we would all be required to contribute to the team effort rather than relying on the performance of individuals throughout the season.

The season started off well being 3 wins and one loss after the first four two day games. After the better than expected start the side was brought back down to earth during the one day series where our often consistent performance was lacking, which is the essential ingredient to playing successful one day cricket. With the season teetering on the verge of either being serious finals contenders or making up the numbers, the side performed admirably by winning two of the final three two day games, including beating the eventual premiers, to guarantee a finals berth.

As well as all players making a solid team contributing there were also some outstanding individual performances during the season. Mick Bennett (33 wickets @ 12.36) played all but one second grade game and bowled tirelessly week in and week out. Craig Pereira (323 runs @ 32.30) proved his ability with the bat and was rewarded by his promotion to first grade. Andrew Walker and Darren Humble were others who grabbed their opportunity and were both rewarded with positions in the first grade through their consistent performance. Paul Kelly again did a superb job behind the stumps all season, which included one of the most memorable wins I have been involved in (a leg side stumping off a medium pace bowler for the final wicket with the opposition needing only 2 more runs). Kevin Poller also proved he is a quality second grade cricketer with several good solid innings often when the team was in trouble.

I also wish to thank the regular first grade players who returned to second grade for various reasons throughout the season. Not only were their performances of a high standard but also they contributed positively to the team with their experience and eagerness to assist throughout their tenure is always appreciated. More often than not these players were rewarded for their service in second grade with a prompt return to first grade ranks.

By the end of the season the second grade was convincingly beaten and eliminated in the semi final by the eventual second grade premiers (who won the premiership in an even more convincing manner).

With the number of younger players coming through the ranks and performing consistently at higher levels it all looks good for the future of the club. The experienced gained being involved in the finals will expedite their development into the future champions of the club.

My congratulations to Dick Manning and his all-conquering team of 4B's for winning the premiership and to all other captains who did an outstanding job throughout the year. Thanks also to the reasonably well credentialed relief, Peter McGilvray, for captaining the side during my absence over the Christmas break.

Once again I wish congratulate Peter Read and David Blight in playing their 400th game for the club. An outstanding accomplishment in any level of sport and to do it all with the same club makes it that much more special. Enjoy your retirement guys.

On a personal note it has been a privilege to serve the Leeming Spartan Cricket Club as the second grade captain for the season 2002/03. I'm sure we can all look forward to 2003/04 with a sense of excitement with the completion of the new facilities and the developing talent pushing through the ranks.

3RD GRADE CAPTAIN'S REPORT

Third Grade had a successful and enjoyable time through the 2002-2003 season, finishing on top of the ladder at the end the one dayer's and winning the Premiership on the haloed turf at John Connell Reserve was certainly the highlight for the season. Hilton Park were bowled out for 75, Peter McGilvray (Macca) 3/13 and Shannon Davies (Tugga) 3/14. We then cruised passed their score with Jason Hamling (Hammer) belting 32. Other premiership players include David Blight (Blighty), Chris Boyes (Boyesy), Stuart Buckby (Bucks), Nigel Coppin (Nigella), Craig Forsyth (Pus), Dan Hambleton (Baby Blossom), Graham Pound (Skip), Rob Simm (Simmo) and Andrew Wragg (Scruffy).

We won 12 of the 14 regular season games to finish in second place at the end of the season. There were 26 players that played with 3rd grade through the season including eight young and up and coming cricketers that I'm sure will be the backbone future Spartan high-grade teams. In addition we had four oldies that contributed much to the success of the team, being Macca, Blighty, Peter Read (Readie) and a cameo from Roy Spencer (Spanner) who top scored and single handedly won the only game he has played in for quite some time against the old foe, Hilton Park.

Early in the season came Readies 400th game for the club. There was plenty of support from the Read/Blight fan club and we celebrated in fine style. We made 7/232 of 40 overs with Macca blasting 81 and Baby Blossom 51. Perth Tamil replied to be all out for 102, Mick Bennett (Benno) taking 3/23 and Readie 3/25 bringing his personal tally to 50 wickets.

Later in the season a second club legend played his 400th game, Blighty. Unfortunately we could not repeat the same form and lost to CBC, however Dave showed what he is made of by top scoring with 37 runs in front of the returning Read/Blight fan club. It was a great experience for me personally to play in these games and I know the youngsters in the team really enjoyed the opportunity to play with these club legends.

Outstanding performances throughout the season included four centuries, Skip 103, Baby Blossom 138, Pus 107 and Simmo 112. Batting award went to Macca, 257runs @ 51.4 Best bowling performances came from Nigella 5/29 against Kenwick and Scruffy 6/58 in the semi final against CBC. Bowling award went to Tugga 23wks @ 14.

Bucks once again had an outstanding season behind the stumps and the influence that young guys had on our fielding was sensational with Simmo winning the fielding award. In fact, the contribution made by Simmo, Tugga, Boyesy, Darren Humble (Dazza) and Stuart Hennessey (Blue) was outstanding and these young men are the future of the Spartan Cricket Club.

Lastly I would thank the senior members of the team for their support and confidence. It does make a big difference when everyone works together to do the little jobs ie. drinks, beers, flags, stumps, collect ball fees, score, umpire etc. We had a very enjoyable time throughout the season and look forward to having a beer or three in the new clubhouse next year.

We'll find you the best loan

4TH GRADE CAPTAIN'S REPORT

I would firstly like to acknowledge Kevin Poller for his efforts as the captain of this side for the first few games of the season. Kevin fortunately for me was promoted to seconds, thus leaving a vacancy as the sides captain. I wish to thank the committee for having the faith in offering me the captaincy, which I found to be enjoyable and a worthwhile experience watching the development of some of the clubs up & coming future stars.

The side mainly comprised mainly of players from the under seventeen junior sides and a sprinkling of experience, as you appreciate that this was a very inexperienced side with its prime aim of blooding the juniors through this grade.

I believe we were very successful with the emerging talents of quite a few juniors. Young guys like Chris Boyes and Stuart Hennessy coming along as quality young bowlers and fieldsman (Chris winning the fielding award in his first year of seniors). Batting wise the emergence of juniors like Ryan Noble, Nick Leavy, Stuart Biss and Daniel Johnson came along very well.

As the season progressed the junior's were putting in consistent performances, resulting in the side winning three games. This is very exciting news for the club, as these young players are our future and can only become more competitive.

Congratulations to Chris Boyes for forcing his way into the 3rd Grade side on his bowling performances half way through the season, and still continued to take wickets. I would expect to see Chris playing in higher grades next season.

Stuart Hennessy, what can I say, I can only describe as a lunatic when bowling in the nets at training, but I give him his due respect that his hard work on the training track reflected in game day results and subsequent promotion to 3rd's.

I would like to make special mention of the coaching efforts of Peter McGilvray who spent a lot of time and effort in helping in the player development of these juniors. Thanks Macca.

In the end we became a very competitive team, which I have to thank all the guys who played with me and offered advice or assistance throughout the season. We had over 40 guys play in this side throughout the season, which is a lot of players but all that played helped in there own way to make us a very competitive side. I would like to wish all players a good season for next year.

Globe Australia Pty. Ltd.

5TH GRADE CAPTAIN'S REPORT

This season was in four distinct stages as we progressed from nothing, to something small, to very good and to the ultimate.

Stage 1: The 5th grade began the season with nothing – literally – we forfeited the first game of the summer.

Stage 2: We won the next six games leading up to Christmas but 5 of these victories were by less than 17 runs. Maybe we were lucky or maybe this was an indication that we had a bunch of cricketers who wanted to win badly and were able to find something extra to gain a victory! We definitely gained good team morale and a winning feeling from this success.

Stage 3: After Christmas we began to have emphatic wins as we steamrolled towards the finals. Andrew Carruthers, Des Carruthers and Ryan Noble were the strength of our batting; while Kevin Wade, Gavin Poller, Ron Barber and Peter Lansbury were the enforcers as the bowling line-up. Mike Price was a One-day bowling specialist while Craig Fletcher and Mark Thomas came out of premature retirement to add depth to the side as excellent fielders and lower order batsmen.

We were fortunate to gain the services of Travis King, our lad from Albany, to top off our batting expertise. Unfortunately Jim Scott who had been a very useful back-up bowler, batsman and fielder was squeezed out despite his solid contribution to our successes.

Stage 4: The massacre in the finals.

The semi final saw us dismiss Maddington for 60 runs and cruise to 4 for 80, before they surrendered after Day One. In the Grand Final we amassed 240 runs and rolled Kenwick for a mere 72. A great team effort!

Apart from obviously batting and bowling better than the opposition, our fielding was of the highest level with Gavin, Andrew, Travis (WK), Thommo, Ron, Des (Res WK) and Peter all performing above the expected 5th grade level.

Our teamship and general support for each other was fantastic and became the element as why all the other facets of our game came together.

It was nice to receive many of the accolades as the Captain of a premiership team but Peter, Des and Kevin operated as a great brains trust providing ideas and support to ensure we used all of the talents within the team at the right time. Thank you gentlemen.

6TH GRADE CAPTAIN'S REPORT

The season started with a mix-up and along with 5th grade we had to forfeit our first game. This set the tone for the next few games as we struggled with a win loss record worse than that of the Dockers' recent away form. We were definitely looking down the barrel of a very, very poor year.

The only bright lights at this time was the injection of some new blood in the form of Alex Lacey, Craig Moncrieff, Luke Carlson and Myles Kemp along with the persistent rumour of a return by Jim Leinasars and some single handed batting by one or two of the old guard plus our ever confident "young" bowling line up.

Morale was further raised when our ever-faithful scorer Edna managed to acquire a selection of vocal DUCKS, which she presented to those that scored them each week.

All this helped to bolster the batting line up which was proving to be the weakest link in our game. From round 5 or 6 the side started to put things together and strung together an impressive 12 wins which not only cemented our place in the top 4 for the finals, but had us as a realistic chance of taking out the flag. Even the numbers of 6th graders at training (yes its the T word) during the week was increasing, although it does not take much to increase from 1 or 2.

Yet even amid all the good form and promises for the future there was a dark cloud gathering on the horizon. After a particularly spiteful game, Dave Hackett was hauled before the tribunal on a charge of misconduct. Even after some excellent defence & support from the club and some individuals, he was suspended for the rest of the season (5 weeks in total). This left the side without a captain and more than a little disappointed with the association's handling of the complaint.

The team made the best of the bad situation and completed the season losing only 1 more game to finish in 3rd place. The first final was won convincingly, but the ultimate glory was not ours to be, as we fell at the last hurdle losing the grand final.

After the disappointment of the previous year when we did not make the finals, it was a very good year. Our bowlers remained the backbone of our success limiting the other sides to easily achievable scores and they are all to be congratulated.

In closing, we would like to thank our scorer without whose attention to detail and particularly the dot balls our season (or at least our score book) would be incomplete. Our congratulations go to all the other sides on their seasons & successes and to the club as a whole for its support and professionalism.

We are now looking forward to next season.

Stand-in Captain

Phil Flavell & his wife Edna (who always scores!)
